## Grammar N1

### New KANZEN Master Series 新完全マスター 文法N1

By TOMOMATSU Etsuko, FUKUSHIMA Sachi  
and NAKAMURA Kaori

Publisher: 3A Corporation  
ISBN: 978-488319-564-0

*The book comes in 3 parts*

- |  |   |
|--|---|
| <i>Part 1:<br/>Mondai Shokai</i>       | <ul style="list-style-type: none"><li>• <i>Format of the grammar questions and how to answer them</i></li></ul>                               |
| <i>Part 2:<br/>Jitsuryoku Yoseihen</i> | <ul style="list-style-type: none"><li>• <i>Study of the three different types of questions, plus language knowledge and skills)</i></li></ul> |
| <i>Part 3:<br/>Mogi Shiken</i>         | <ul style="list-style-type: none"><li>• <i>A mock test so the learner can confirm his/her level</i></li></ul>                                 |

‘In each chapter, 5-6 grammar items related to a single topic are introduced. But prior to that, students are given a revision on the previous learned grammar. An interesting point is that grammar explanations, example sentences and learning tips are in audio form. Thus, enhancing one’s listening skills at the same time.

A set of questions rolled out for every 4 chapters, makes this book my top recommendation. A good book to revise what were learned earlier while learning new ones. At the end of this book, there are some model questions and modules to consolidate the students' mastery. In my view, this book is most suitable to those who learn in a systemic way and love doing plenty practice exercises!’
